COMMUNITY OF SAINTS NEWS

Our students have been busily working on deciding and implementing their class service projects for our school marathon!

Some of the service projects our students are doing include: painting pictures for Little Sisters of the Poor, cleaning and raking grounds of our local community, making cards for Meals on Wheels, writing cards and letters for A Million Thanks, making fleece blankets for the homeless, writing thank yous to Hurricane First Responders, and creating prayer cards for residence of Clues. We are so proud of our students and their passion for servicing others.

Students also continue to fundraise for student Health & Wellness. This includes tangible items to enhance and promote student activity, such as playground equipment and outdoor education resources and materials. Our goal is to raise \$10,000 by Thursday, November 16th! Contact us with any questions, service project suggestions, or if you are interested in participating. [651-457-2510](tel:651-457-2510) or bkramer@communityofsaints.org. Thank you!
