

OPEN HOUSE – ALL ARE WELCOME

Casa Guadalupana is having an open house on Wednesday, July 19th, from 5-7 pm.

You are encouraged to stop by to tour the home, learn more about the families who live in the home and the progress they are making. You can also see the many improvements that have been made to the home and see some of the on-going improvements – including the installation of air conditioning!

Casa and The Family Place support families and their children with four months stays. The design of the Night Shelter results in calmer living situations that produce positive learning intended to help the entire family work toward permanent success. It is also the catalyst to living peacefully and productively in the larger community.

There will be a short program at 5:30 pm. See you on the 19th.
