COMMUNITY OF SAINTS NEWS

Community of Saints is excited to introduce a few new staff members who have joined our Community of Saints family!

Brigid Diaz: our new third grade teacher has 7 years of teaching experience, 6 of which were at St. Helena's Catholic School. Brigid has her English Language Learners endorsement and has a passion for helping students develop English language skills. This passion will be extremely beneficial for our school community.

Audrey Moorhouse: will be teaching part-time as our middle school science teacher this school year. This will allow us to have half-time additional administrative support for the school! Audrey has five years of experience teaching middle school science and is excited to share her many gifts of hands-on instruction with our students and staff!

Will Corbett: is our new middle school math and religion teacher. Will comes from his family as a third generation religion teacher, and has a math endorsement for teaching middle school math. We welcome him and his enthusiasm for teaching!

Angela Lopez: a former parent and Home and School member, Angie begins as our new administrative assistant on Monday, August 28th. She is bilingual, and knows all about Community of Saints and what it has to offer from multiple perspectives. Angie loves to help others and has a positive energy that is contagious!

Please keep our school staff and families in your prayers as we begin another school year. It is going to be fantastic!
