

FAITH FORMATION UPDATES

There will be no Faith Formation class on Wednesday, November 22, due to the Thanksgiving holiday. Regular weekly classes resume November 29 at 6:30 pm with drop-off in church and pick-up from the Parish Center at 7:45 pm. Please mark your calendars for December 13, our Advent prayer service, when parents/guardians and parishioners are welcome and invited to join our Faith Formation students for the service that begins at 7:00 pm.

AARP SMART DRIVER TEK WORKSHOPE AT ST. MATT'S

This free, 90-minute Smart DriverTEK Workshop helps drivers understand current and evolving vehicle safety technologies and how to use them. Drivers will learn how the benefits of these technologies may enhance their driving safety and extend their safe driving years. Drivers will also learn to identify the safety technologies that best suit their needs when purchasing a new vehicle.

This workshop will be at **Saint Matt's Social Hall only on Monday, January 15.** Choose **either 10:30 am or 1:00 pm.** You will receive a vehicle technology checklist that you can use to take notes about the features that interest you most. After the workshop you can use the checklist as you examine the features of your own vehicle or use it to guide you in selecting features you want when purchasing a new vehicle.

The new Smart DriverTEK workshop is distinct from AARP Driver Safety's Smart Driver course. Taking the Smart DriverTEK workshop will not result in a discount on your auto insurance. Workshop space is limited. Registration is online: www.aarp.org/findaworkshop
